(Circle if you think it's TRUE or FALSE)

Ascend Hospice is introducing a new fun educational program that allows you to participate in winning raffle items! Each month you will receive a new education contest form that you must complete and fax to our office by the deadline. Staff who participate are eligible to win one of two raffle baskets that will be awarded. To be entered into the drawing for a raffle basket, please fax your answer sheet back to **Ascend Hospice** at [908.931.9081](tel:908.931.9081).

Ascend Hospice has a specialized hospice program for patients living with end stage heart problems including heart failure and cardiac disease called "Essence of the Heart"?
